

Series: Abundance mindset in light of Orthodox Islaam

Book: Abundance Mindset: A primer Part 1

BismillahirRahmaanirRaheem

In The Name of Allah, The Entirely Merciful, The Especially
Merciful

To achieve whatever one seeks in this world and the hereafter(of all the good(khair)), one must first believe that Allah can and Allah has the power to provide it all for you.

This topic starts at the beginning of one's journey to Allah, and it involves thoroughly learning about the Orthodox Islamic Creed/ 'Aqeedah i.e. 'AqeedatusSalafiyyah/ Salafi creed/ Salafi 'Aqeedah, including The Names and Attributes of Allah(Asmaa- wa sifaat), learning the Ruboobiyyah of Allah(Lordship of Allah), and the 'Uloohiyyah(worship of Allah); This cannot be fulfilled except by completely following of the Messenger of Allah, Prophet Muhammad(sallallahu 'aleihi wa salaam- peace be upon him)

Wa Allahu A'lam
